### DIFFICULTY

# beeSPORT | Tester - Dryland

## AFTER COMPLETING THIS COURSE, YOU WILL BE ABLE TO

Test independently hockey players. beeSPORT | Tester is a comprehensive solution for sport testing and evaluating the level-conditioning and coordination abilities of a hockey player. beeSPORT | Tester Dryland is ideal solution for every kind of sport. Moreover beeSPORT | Tester includes a set of tests specifically designed for ice hockey players. Testing on dryland is possible on the premises of a gym or gyms with appropriate equipment. We recommend using the beeSPORT | Tester not only for testing and evaluation, as well as a normal part of daily training, due to the possibility of immediate and objective feedback.
